ABOUT US

F Unisex Salon, co-founded by cousin brothers Nayan Soni and Kapil Soni, began its elegant journey in 2008 with the launch of its first luxurious salon at a prime location in Surat, Gujarat. What started as a vision driven by passion, creativity, and excellence has today evolved into one of Gujarat's most prestigious and trendsetting unisex salon brands.

A major milestone in our growth came in 2011, when Shilpa Soni, Nisha Soni, and Kamlesh Soni joined hands with the founders, playing a crucial role in strengthening the brand and accelerating its expansion. Their leadership, expertise, and commitment to quality helped shape F Unisex Salon into a name synonymous with luxury and trust.

Among them, Shilpa Soni is widely recognized as a star stylist, renowned for her mastery in advanced hair colouring and precision techniques. Shilpa Soni and Nisha Soni are both CIDESCO-certified professionals from Zurich, Switzerland, one of the world's most respected beauty education institutions. Their international training and artistic vision have significantly elevated our service standards and creative direction.

F Unisex Salon is proud to be among the select L'Oréal Professionnel Certified Salons, offering world-class services for clients seeking premium makeovers, indulgent pampering, and personalized beauty solutions. As recognized trendsetters, we continuously introduce innovative treatments, global techniques, and contemporary styles that keep our clients ahead of the curve.

Today, F Unisex Salon operates 7 successful branches across Gujarat, delivering luxurious yet affordable services for Hair, Skin, and Body, supported by a highly skilled team trained by national and international experts.
